The Global Food & Technology Expo is being organized by NNS Media Group, India's most diversified media group since 1950, and Foodees Group with the active support of FIWA, on 24-25-26 August, 2023 at Pragati Maidan, New Delhi, India, in fully air-conditioned Halls.

The organizers have more than 15 years of experience in organizing food exhibitions, events, B2B conferences and providing consultations on turnkey basis to food sector.

Global Food & Technology Expo will provide an excellent platform to all the stakeholders in the food sector to have firsthand knowledge of latest developments and trends and make business contacts.

Global Food & Technology Expo is held in India, 1.4 billion people market with vast opportunities for international and local players in the food sector. The Food sector in India is one of the largest in terms of production, consumption, export and growth prospects. The government has accorded it a high priority, with a number of fiscal relief and incentives, to encourage commercialization and value addition to agricultural produce; for minimizing pre/post harvest wastage, generating employment and export growth.

Whether your business is well established or new to the trade, the Global Food & Technology Expo will facilitate your company's contacts, growth and prosperity. You'll meet new customers, and business partners, and find more ways to profit in this dynamic sector.
